Supersedes TO 1-1-641/ANG Sup 1, 01 May 1997

Pages: 1
Distribution: F

The purpose of this Technical Order (TO) is to establish minimum requirements and to standardize type and quantity of personal and special equipment incidental to operation of aircraft for specific missions. TO 1-1-641, 15 October 1972 is supplemented as follows.

SUMMARY OF REVISIONS

This document is substantially revised and must be completely reviewed.

4. The Wing/Group Commander will ensure the necessary equipment is either installed in the aircraft or issued to personnel as applicable for the specific mission.

4a(3). **NOTE:** (Added ANG) For large bodied aircraft, the anti-exposure suit will be readily available.

DANIEL JAMES III, Lieutenant General, USAF
Director, Air National Guard
